LAW ON THE PROTECTION OF PERSONAL DATA
USER PRIVACY NOTICE

[] ("**Company**"), as the owner of our website www.rawius.com (the "**Website**"), shows the utmost care for the security of the personal data of the Website's users. With this awareness, the Company attaches great importance to ensuring that all personal data of any individual submitted to us is processed and retained in accordance with Law No. 6698 on the Protection of Personal Data (**KVKK**) and the European Union General Data Protection Regulation (GDPR), and we act in accordance with the Personal Data Processing, Retention and Destruction Policy (Privacy Policy) that we have prepared in this regard.

The definitions in the User Agreement also apply to this Privacy Notice.

1. Collection of Personal Data and Purposes of Processing

Your personal data is collected through the forms you complete in order to register on the Website as a user. For this purpose, users' first name and last name, telephone number, e-mail address, country/province/district information and Google Local Guide level information are processed.

In addition, where you grant consent to receive commercial electronic messages by subscribing to our newsletter by e-mail in order to be informed of new opportunities on the Website, your e-mail address and telephone number are collected and processed as personal data. Since your telephone number, and communications to be made via your telephone number, are necessary for the System to be used, your explicit consent is not requested for messages other than commercial electronic messages.

Apart from the above, your personal data is not processed by the Company in any way.

2. Personal Data Processed and Recipient Groups

Where necessary for the purposes stated above, the personal data collected may be transferred, within the framework of the personal data processing conditions and purposes set out in Articles 8 and 9 of the KVKK, to the Website so that you can register, to the extent necessary for the establishment and performance of the membership agreement and other legal relationships with you, and additionally in order to fulfil our legal obligations. Confidentiality undertakings have been signed with the aforementioned data processors, and these persons have also been required to comply with data security. No data is transferred abroad.

In this context, the categories of data processed are as follows:

- First name and last name
- E-mail address
- Telephone number
- Google Local Guide level information
- Country/province/district information
- Location information

Location information is also processed for verification purposes during your visits to Businesses.

In addition, if you tick the box "I consent to commercial electronic messages being sent to me by e-mail" when registering with our application, you give your explicit consent for us to send you commercial electronic messages for marketing and advertising purposes and to process your first name, last name and e-mail address data for these purposes. If you do not give your explicit consent to this, please do not tick the box.

3. Legal Grounds for Processing Personal Data

Your personal data is processed on a contractual basis because you benefit from the service available on the Website, and is also processed on the grounds of compliance with a legal obligation, being expressly provided for by law, and the Company's legitimate interests.

In this context, through the forms available on the platform and by providing your data, you are deemed to have given your explicit consent to the processing purposes and grounds set out in this Privacy Notice.

4. Data Security

Our Company protects your personal data at an appropriate level against possible risks, in full compliance with all reasonable technical and administrative security controls required under information security standards and procedures. All data collected is collected in information systems that are protected by security measures, and the data can be accessed only by persons who are under a confidentiality undertaking.

5. Rights of the Personal Data Subject

All of our users have the right to apply to us and, with respect to themselves: to learn whether their personal data is being processed; to request information regarding it if their personal data has been processed; to learn the purpose of processing of their personal data and whether it is used in accordance with its purpose; to know the third parties to whom their personal data is transferred, whether domestically or abroad; to request the correction of their personal data if it has been processed incompletely or inaccurately; to request the deletion or destruction of their personal data if the reasons requiring its processing no longer exist, even though it has been processed in accordance with the relevant provisions of law; to object to the occurrence of a result against themselves by means of the analysis of the processed data exclusively through automated systems; and to request compensation for the damage if they suffer damage due to the unlawful processing of their personal data.

To submit an application, you can access the application form we have prepared here. After completing the form, you may **(i)** deliver a signed copy to our company headquarters address, or **(ii)** send a scanned copy of the signed form to our e-mail address info@rawius.com. Your application will be answered as soon as possible.
